G. Eric Engstrom

Application No: 09/817,837

Filed: March 26, 2001

For: METHOD AND APPARATUS FOR
GENERATING ELECTRONIC
PERSONAS

Examiner: Michael M. Thompson

Art Group: 3629

Confirmation No. 9404

Mail Stop Amendment
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450**Declaration Pursuant to 37 C.F.R. § 1.131**

I, G. Eric Engstrom, hereby declare that:

1. At the time of conceiving and reducing to practice the above identified invention, I was a resident of the United States, residing in or around Kirkland, Washington. The above identified invention was conceived and reduced to practice in the United States of America.
2. I am the true inventor of the subject matter of the above-captioned application, as originally declared in the Declaration that I signed on March 19, 2001 and that was filed on March 26, 2001 (see **Exhibit 1**, copy of signed Declaration).
3. The present patent application was filed on March 26, 2001.
4. At the time of the invention, I was employed by Wildseed Limited of Kirkland, Washington, the assignee at that time.
5. To the best of my recollection and as refreshed by attached **Exhibit 2**, the subject invention was conceived on or prior to at least March 19, 2001, the date on which I completed a final review of the application and signed the Declaration. **Exhibit 2** is a photocopy of the final application and is substantially the same as the

Patent

application reviewed on or before March 19, 2001, and subsequently filed on March 26, 2001. **Exhibit 2** is commensurate with the scope of the pending claims.

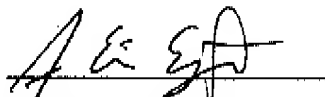

6. I additionally declare that I worked diligently with counsel to constructively reduce the invention to practice with the filing of the above-captioned application, including providing the signed Declaration to counsel for filing with the application.

3. Counsel filed the present patent application on March 26, 2001.

I further declare that all statements made herein of my own individual knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-identified patent application or any patent issued thereon.
